Cost of Vendor Participation at each Pumpkin Patch date is \$20. This fee is due by the end of the day, before you leave the pumpkin patch.

Vendors agree to arrive on premises no later than 9:30 a.m., and have their vehicles removed from the pumpkin patch area no later than 9:45 after unloading.

Vendors may start to leave once the pumpkin patch traffic slows down and deemed safe to bring their vehicle back into the area. This is usually around 5 or 5:30 p.m. If you chose to leave earlier, you must leave all your wares behind at your own risk and return to load up at a later time.

Vendor can have one person helping in their booth, at no additional cost. Friends and family that wish to visit must pay an admission fee, unless friends or family are bringing in goods vital to your business or food or drink.

Vendors must provide their own tents, tables, chairs, monetary change, etc. We ask that you set up an attractive looking display that goes with a Halloween/Fall/Farm theme. This will keep the farm looking good and attract more customers to your display. Electrical outlets are available on a limited basis. First come, first serve.

Any and all items are allowed to be sold, unless prohibited by law.

Expect to be here late on October 26, during the Pumpkin Chunkin' Contest.

I agree to the following rules and terms for participating as a vendor:
